Major General Marshall Stubbs
Department of the Army
Office of the Assistant Chief of
Staff for Force Development
Washington, D. C.

Dear General Stubbs:

I wish to express my gratitude to you for your
briefing on 14 October.

With reference to your kind invitation to visit
Edgewood Arsenal, my current schedule does not
permit me to make a firm commitment. I believe
that certain senior members of my staff would
benefit from such a visit, as I know they benefited
from the briefing which you presented on a very
serious intelligence problem.

Sincerely,

John A. McCone
Director
